THE SANTEE WOODEN BOAT GATHERING

Join us for a wooden boat weekend and river trip on October 10-12 at the Santee State Park on Lake Marion in Santee, SC. The weekend registration fee includes a campsite Friday and Saturday nights, meals all day Saturday and breakfast Sunday, boatbuilding and maintenance classes, a T-shirt, a chance to win an unpainted Croc model wooden boat and all of Cajun Bob's tales that you can stand!

The purpose of the event is to bring together our customers, friends and wooden boat enthusiasts for a few informal days of boating, fishing and talking about boats. You'll meet other builders, hear from experts in the field, learn about different products available and take home ideas for your next boat. Meals will be home-cooked, including real breakfast and a cookout Saturday evening with live music.
